

THE GRANTEE

Bexar County is the grantee for Part A and MAI funds for Bexar and surrounding counties through
The Ryan White HIV/AIDS Treatment Extension Act (RWHATEA).

The Bexar County Judge serves as
the Chief Elected Official for the
funds and appoints members to the
Planning Council.

The Bexar County Department of
Community Resources (DCR) serves
as the Administrative Agency for the
funds.

The Executive Director of the DCR
serves as the Grantee representative.

GRANTEE/ADMINISTRATIVE AGENCY

- Distributes Part A and MAI funds according to the Planning Council's set service priorities and percentage allocations for service categories
- Contracts with local agencies to provide services
- Conducts clinical quality management activities (monitoring) to ensure that services are of high quality
- Writes grants to maintain the Ryan White service system
- Assists with shared responsibilities it has with the Planning Council such as the Needs Assessment and Comprehensive Plan
- Provides training and information for agencies
- Establishes grievance procedures to address funding-related decisions
- Ensures that Ryan White funds do not pay for care that is paid elsewhere
